## **Mendon Pediatrics, PLLC Obtains Level 3 PCMH™ Recognition**

**(MENDON, NY)**—Mendon Pediatrics, PLLC, located in Mendon, NY has received the highest level of recognition from the National Committee for Quality Assurance (NCQA) Patient-Centered Medical Home Recognition program. Working with RMS Healthcare in Baldwinsville, Mendon Pediatrics, PLLC has successfully received PCMH Recognition under the 2014 standards, requiring increased rigor in operational processes to achieve and sustain recognition.

Providers at Mendon Pediatrics, PLLC include: Jennifer Lesic MD, Donna Meyer MD, Rebecca Gargan MD.

RMS Healthcare assists practices across the country in navigating the PCMH recognition process. Since launching the assistance program in 2010, RMS Healthcare has assisted more than 350 practices in achieving recognition. Further, RMS Healthcare worked in collaboration with Accountable Health Partners (AHP), which provided member practices with the funding to pursue PCMH Recognition. AHP is an Accountable Care Network affiliated with the University of Rochester Medical Center in Rochester, New York. A clinically integrated network of hospitals and physicians, both hospital-employed and private practice, AHP is committed to supporting the PCMH care delivery model as a strategy for delivering the best clinical outcomes to its patient population, while reducing unnecessary expenses to the healthcare system.

With the help of AHP and RMS Healthcare, Mendon Pediatrics, PLLC met key program components in the following areas:

- Patient-Centered Access
- Team-Based Care
- Population Health Management
- Care Management and Support
- Care Coordination and Care Transitions
- Performance Measurement and Quality Improvement

Early and on-going evaluations of the PCMH program have shown promising results in improving care quality and lowering costs by increasing access to more efficient, more coordinated care. By avoiding

unnecessary hospitalizations and emergency room visits, these early results are producing savings for payers, purchasers and patients.
